StackLITE LED Display Spotlight

An award winning modular LED spotlight system designed for installation into showcases and counter displays to illuminate products such as jewellery, watches, bags, pens and other luxury items.

Each LED module simply plugs into the one below to allow a stack of up to 8 x 1W fully adjustable LED modules that can be directed in almost any direction.

StackLITE is very easy to install and can be supplied with plug & play connectors so that there is no wiring required.

The high quality satin black anodised housing helps the spotlight blend in to any display interior and enhances products to their full potential and increases sales.

LED Specification

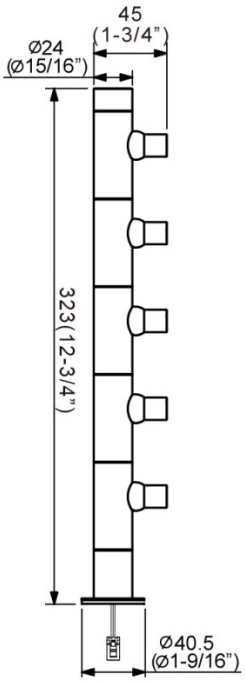

Maximum LED Modules per Stack = 8
Maximum Spacer Modules per Stack = 4

Diameter:	Ø24mm
Stackable Module Height:	H55mm
Material:	Aluminium/Polycarbonate
Finish:	Black (Anodised)
Lead Length:	2m
Base Ø x H:	Ø40mm x H34mm
Input Voltage:	350mA Constant Current
LED Type:	Cree XPG
CCT:	4000K
Beam Angle:	25°
Lm/W:	71lm
Wattage @ 350mA:	1W per Module
Life Expectancy:	50’000 Hours (Ta 25°C)
Input Voltage:	350mA Constant Current
